

## Fifth Avenue Christian Church Building Custodians

Please call if there is an activity that needs someone to unlock doors and lock them after the activity. Please inform the people in the church to call when they are done with the building. Please call the name per the month and call the first on the list. If you don't reach the first person go to the second person on the list and so forth. If you don't get any of the three just continue down the list.
