## International Disaster Emergency Services (IDES)

At least one hundred sixteen people have been confirmed killed in Joplin, MO with the expectation of that number rising as the search and rescue teams continue their work. Thousands more have been displaced after their homes were swept away. Randy Gariss, Senior Minister at College Heights Christian Church in Joplin, said, "it is beyond words. We will probably have over 70 College Heights Christian Church families with total home loss. We have over 50 now ..." Matt Proctor, President of Ozark Christian College, listed over a dozen families related to the college that have lost their homes. Tragically, one of their students was among the fatalities. There are similar needs in northern Mississippi as well.

We want to be able to partner with the Christian Church/Church of Christ congregations in these disaster areas to offer immediate relief supplies, rebuilding materials and other essentials. The need is enormous. IDES is dedicated to offering help and hope to those who are suffering from catastrophic events be it overseas or here in the USA.

Please join us in prayer for the survivors, the relief workers, and the grieving families impacted by these historic tornadoes. And please give today to help IDES help our brothers and sisters in Christ to reach out and help their neighbors with the love and compassion of Christ.

Together with God's help we can turn these tragedies into opportunities to bring Glory to our God and our Loving Savior, Jesus Christ.
